Hospital Foundation Smiles

Tim Hortons is spreading brighter smiles with a total of \$7.2 million raised in this year's Smile Cookie campaign. During the week-long initiative, Guests who purchased a freshly baked chocolate chunk Smile Cookie for \$1 had the full amount donated by the Tim Hortons Restaurant Owner to support more than 460 local charities, hospitals and community programs across the country. For the second year the local Tim Hortons proceeds supported the West Haldimand Hospital Foundation by raising \$7,739 locally.

Shown in the cheque presentation photo are (left to right) Shaun Salverda and Rachel Schinkel from Tim Hortons Hagersville and Caledonia and Jean Waite, Manager of Development, WHHH Foundation.

The support of Tim Hortons and our community is greatly appreciated. Thank you!
