

## WEST HALDIMAND GENERAL HOSPITAL JOB POSTING

<b>Job Posting Number</b>	<b>2021-105</b>	<b>Date</b>	November 19 <sup>th</sup> , 2021
<b>Department</b>	Diagnostic Imaging	<b>Status</b>	Part-Time
<b>Position</b>	Registered Radiological Technologist		
<b>Rate of Pay</b>	\$32.55- \$43.64		
<b>Shifts</b>	Must be available to work all shifts, including days, evenings, nights & weekends		

### OPPORTUNITY

Are you passionate about providing the best patient centered care? Does working in a small rural hospital and providing vital health care to the surrounding community appeal to you? West Haldimand General Hospital is located in the beautiful town of Hagersville, and is a scenic half hour drive to Simcoe, Brantford and Hamilton. If working to make a difference for patients appeals to you, then we would like to hear from you. We currently have a vacancy for a Radiological Technologist in our Diagnostic Imaging Department. The Radiological Technologist supports Diagnostic Imaging by producing high quality x-rays in accordance with the standards of practice of the College of Medical Radiation Technologist and our Mission, Vision and Values of Innovation, Compassion, Accountability, Respect and Excellence.

### DUTIES

1. Performs routine and emergency procedures in accordance with established methods as described in the departmental procedure manuals.
2. Responsible for conducting radiographic examinations while ensuring a compassionate and understanding patient care approach.
3. Prepares written and electronic reports required to document all procedures and test results.
4. Confers with the Medical staff and Radiologist as needed.
5. Demonstrated ability to interact with patients, families and other members of the health care team in an effective, professional, and caring manner.
6. Adheres to all policies and procedures.
7. Encourages collaboration; shares expertise and draws on others' expertise to make effective decisions.
8. Promotes a healthy, supportive and inclusive work environment.
9. Is accountable for own professional development & takes advantage of learning opportunities.
10. Safety (patient, worker & workplace) is a WHGH priority. The successful applicant will demonstrate good stewardship in the identification, reporting and mitigation of unsafe acts or conditions.

### POSITION REQUIREMENTS

1. Degree/Diploma from an accredited Medical Radiation Sciences Program.
2. Registration with the College of Medical Radiation Technologists (CMRTO) required.
3. Membership in the Canadian Association of Medical Radiation technologists (CAMRT) and the Ontario Association of Medical Radiation Sciences is preferred.
4. Two years of experience in a clinical setting preferred.
5. Ability to work independently, as well as function effectively as part of an interdisciplinary team required.

<b>Internal Posting Deadline</b>	November 29 <sup>th</sup> , 2021
----------------------------------	----------------------------------

<b>External Posting Deadline</b>	Position will be posted until filled
